

# DAILY BOOST

## 1 ELUL

LIVING MOSHIACH

# A MONTH OF ACCOUNTING<sup>ב"ה</sup>

*It is taught in Rabbi Eliezer's book entitled Chapters (ch. 46), "On Rosh Chodesh Elul, G-d told Moshe to ascend Mount Sinai to receive the second set of tablets. A shofar was sounded in the camp to announce Moshe's ascent so that none would stray after idols again ...."*

*Therefore, our sages established that we sound the shofar on Rosh Chodesh Elul and everyday for the entire month to stir the Jewish People to repent. (Tur, Orach Chaim, 581)*

Elul is a time of reflection and repentance. This is a time to mend the past and, most importantly, to prepare for the future. We need to think of what we need to do to perfect ourselves and the world in order to enable Moshiach's coming even before Rosh HaShana!
