THE TIME OF MOSHIACH

The [present] world will exist for six thousand years: two thousand years of chaos, two thousand years of Torah, and two thousand years of Moshiach. (Talmud, Sanhedrin 97a.)

In the past, Moshiach was not the major focus of our Divine service. The world was simply not at that stage because the groundwork was not complete. Now, we live in the time of Moshiach. All of the events of this era are directly related to preparing the way for Moshiach. Currently, we are standing at the very end of this period. We have completed all of the preparations for Redemption and must focus all of our energies on making it a reality. Every action must center on helping to bring Moshiach.
