MOSHIACH'S ANSWER

The Baal Shem Tov related the following incident in a letter:

On Rosh Hashanah, I elevated my soul to the higher realms... I went higher and higher until I reached the chamber of Moshiach where he teaches the Sages of the Talmud, the Righteous, and the Seven Shepherds...

I asked Moshiach, "When will the Master [Moshiach] come?" He answered me, "Know: when your teachings are publicized and revealed in the world, and your wellsprings are spread far out..."
