### WOMEN AND MOSHIACH

ב"ה

## THE RISE OF THE WOMAN

*A woman of valor is the crown of her husband.. (Mishlei: 12:4)*

*..For the Lord has created something new on the earth: A woman shall surpass a man. (Yirmiyah 31:21)*

The Torah views everything as the interplay between masculine and feminine forces. In the times of Moshiach, however, the role of women will surpass that of men. The ascendancy of the feminine not only applies to male-female relationships in the simple sense, but also to the feminine side of everything.

In the following days, we will explore various feminine aspects that will be elevated when Moshiach comes.
