LIVING MOSHIACH

ב"ה

FUTURE RENEWAL

The renewal of the moon is a symbol of the Jewish People who will, in the future, be renewed like the moon and will glorify their Creator, greeting the Divine Presence. Therefore, when we bless the new month ... , it is as if we are greeting the Divine Presence (Maharsha, Chidushei Agados, Sanhedrin 42a)

We must make an accounting and reach the conclusion that we are ready for Moshiach and that we must go and greet him. We should express this by sanctifying the new moon with the special intention of hastening the coming of Moshiach.

At the same time, we should increase our prayers for the Redemption, as the prayer for the sanctification of the new moon concludes, "They shall seek Hashem their G-d and David their king, Amen."
