RELEVANCE

Studying about the Beis HaMikdash and other topics relating to Moshiach is a particularly relevant way to hasten the Final Redemption. Learning these subjects increases our awareness of Moshiach, thereby increasing our sensitivity to exile and our yearning for Redemption. In addition, these topics are now of practical relevance because we are now so close to Moshiach. Therefore, everyone should thoroughly study these topics. Ideally, the topics should also be learned publicly. (See Sefer HaSichos 5751 vol. 2 pgs. 747-8)
