LIVING MOSHIACH

ב"ה

BETTER NOT TO KNOW

If the date of the Redemption would be known, then we would relate to the Redemption as something in the future, and it would have little effect on our daily lives. For that reason, the time of the Redemption is unknown.

Yet, we are certain that Moshiach can come any moment. What's more, we expect Moshiach now. This makes the Redemption relevant to the present. By thinking this way, we begin to act and live in the mode of Redemption.
