MOSHIACH: PERSON, TEACHER, AND KING

ב"ה

## GREATEST OF THE GREAT

*Moshiach, son of David, is called the Great Mountain because he is greater than the Patriarchs [who are called mountains]. Thus, the verse states, "Behold My servant shall prosper: he shall be exulted, uplifted, and very high." He will be more exulted than Avraham, more uplifted than Yitzchak, and higher than Yaakov. Alternatively, he will be more exulted than Avraham..., more uplifted than Moshe..., and higher than the ministering angels...."*  
(Medresh Tanchumah, Toldos sec. 16.)

Moshiach will be far above and beyond every other person who ever lived in the world. He will be able to reveal the essence of all, the essence that transcends intellect and emotions.

Individually, we access our spark of Moshiach through selfless commitment that transcends reason, stemming from the essence of our being.
