## THE TIME OF MOSHIACH

ב"ה

# EXPANSION OF ISRAEL

*When the L-rd your God expands your boundary as He swore to your forefathers, [He will give] you all the land of which He spoke to give to your forefathers. (Shoftim 19:8)*

In fulfillment of G-d's promise, [He will give] you the three additional lands of the Keini, Knizi, and Kadmoani.

The original seven nations that became the Land of Israel represent the refinement of the seven emotions. These lands had to be conquered because refining the emotions requires strenuous effort and demands that a person fight with his nature. In contrast, the last three lands represent the three intellectual faculties. These will not be conquered but will be given to the Jewish People peacefully. This mirrors our efforts to understand G-d and his Torah, a calm pursuit.

By dedicating ourselves now to knowing G-d, we will merit the completion of the Land of Israel with the coming of Moshiach.
