THE TORAH OF MOSHIACH

PREPARING FOR CHANGE^{ב"ה}

Moshiach needs to be understood and explained in a way that people will accept. While other mitzvos or aspects of Torah can be fulfilled based on faith or authority, this is not the case with the Redemption. Only through personal change can we emphatically desire the Redemption and make the changes needed to begin the process. Therefore, we must make extra effort when studying and teaching the topic of Moshiach so that we understand and internalize what we learn.
