*Everything that G-d created in His world, He created only for His glory.
(Pirkei Avos, 6:11)*

Our sages tell us that the Torah is G-d's blueprint for the world. The lesson is that we must learn to see everything in the world through the eyes of Torah. By doing this, we will see how everything in the world is a tool to teach us about G-d and to help us serve Him.

We are about to begin the month of Elul, the month of spiritual accounting and introspection. At this time, we must contemplate that everything exists only for G-d's glory, and we must seek to live our lives in this vein. We must find a way to use everything around us for a G-dly purpose.

Only by using everything in the world as G-d intended can we complete His blueprint for creation and unveil the time of Moshiach.
