WORKING TOWARD MOSHIACH

ב"ה

EVERY SPARK COUNTS

To bring about the true and complete redemption, we must bring peace to the entire world until every spark, even the smallest, has been refined.

This is why [the era of] Moshiach must not be rushed before its time. When Moshiach comes “in its time,” all the sparks of holiness will have been refined to perfection. The lesson is that Moshiach must permeate every aspect of our being—faith, understanding, emotion, and action—and every aspect of our life. By doing this, we ensure that no spark is left behind, which results in the complete redemption.
