MOSHIACH: PERSON, TEACHER, AND KING

ב"ה

HUMAN POTENTIAL

Sometimes, the word “Moshiach” is used to describe a concept, such as a spiritual state or a geopolitical event. Nevertheless, Moshiach, in the simplest sense, is a physical human being, born to a man and woman. According to Torah law, this human being will orchestrate the Final Redemption. It will not happen spontaneously.

This is in keeping with our belief that G-d put us on earth to perfect the world through our actions. From the moment that G-d breathed a soul into Man, He imbued us with ability to be G-dly and to perfect ourselves and the world. Moshiach demonstrates that we, as humans, have G-dly potential far beyond what we imagine.
