(Michah 7:15)*

The words of the prophets and the teachings of the sages are full of promises and predictions: delicacies will be commonplace as dust, the wolf will lie with the lamb, man will live forever, and the dead will return to life. These miracles are some of the most exciting aspects of the Time to Come.

By learning the secrets of the Torah, we hasten this revelation. This study unites our intellect and our faith, which correspond to nature and the supernatural. By uniting these two aspects in us, we will merit to see how they unite in the world to create the miracles foretold by our sages.
