WORKING TOWARD MOSHIACH

ב"ה

REPEAT AFTER ME

The Torah portion of Noach sets a precedent for the conditions that will exist in the era of the Redemption. In Noach's ark, the "wolf dwelled with the lamb," literally. This shows us that it is not too hard to bring about the Redemption. We do not need to create something completely new, but simply to recreate what already existed.

Shabbos Parshas Noach 5743; Hisvaaduyos 5743, vol. 1, p. 426
