THE TORAH OF MOSHIACH

ב"ה

FIRMNESS AND FLEXIBILITY

Although when Moshiach comes our increased spiritual sensitivity will lead us to be more careful and strict in Torah law, it will also lead to increased flexibility and freedom. For example, many things that are forbidden now will be permitted when Moshiach comes.

This is comparable to the difference between a child and an adult. Since the child lacks certain sensitivities, it is not safe for him to use items like knives, cars, fire, etc. These things are not intrinsically bad. However, for a child, the danger outweighs the benefits. However, an adult is mature enough to take the necessary precautions and can safely benefit from these items.

In the time of Moshiach, our ability to use the world for good will increase. Therefore, the High Court of that time will permit many things that are currently forbidden.
