INTERNALIZING THE MIRACULOUS

...Egypt said, "Let us flee before Israel, for G-d is fighting for them in Egypt." (Exodus 14:25)

The great miracles that G-d wrought in Egypt, such as the ten plagues and the splitting of the sea, demonstrated that G-d was not, and is not, above nature, or even the Master of nature. Rather, nature, itself, is only the will of G-d and is, in essence, supernatural.

When we realize that G-d is not some transcendent reality distinct from the world, that the world itself is merely part of G-d's reality, then we will be able to find G-d even within the limits of the world.
