## THE TORAH OF MOSHIACH

ב"ה

## NEW LAWS

*It is clear and explicit in the Torah that God's commandment remains forever, without change, addition, or diminishment... We are commanded to fulfill all the Torah's directives forever. (Mishneh Torah, Yesodei HaTorah 9:1)*

Every word of the Torah contains eternal lessons for each and every person in each and every situation. As a person and his situation change, the way that Torah applies to him also changes. Yet, the letter, spirit, and principles of the Torah remain unchanged.

When Moshiach comes, there will be many changes in Torah law. In some cases, the rules will be stringent, and in others, they will be lenient.

However, these changes will occur only because of changes in the world, not the Torah. In the coming days, we will explore some of these changes.
