WISDOM OF WOMEN

All the women, whose hearts inspired them with wisdom, spun the goat hair. (Shemos 35:26)

This was particularly expert work.... (Rashi, ibid)

Like the Jews in the desert, our generation is charged with the task of making the world a sanctuary for G-d. The most difficult work associated with the Tabernacle was performed by the women because they possessed the unique ability to truly transform the world into a house befitting G-d.

We must involve women in all matters of Torah and mitzvos. Only through a woman's touch will G-d rest in our midst.
