## THE TIME OF MOSHIACH

ב"ה

# ELEVATING THE BEAST

The mighty Leviathan cruises effortlessly, propelling through the water with a single flap of its fins. So too, a master of the inner teachings of the Torah traverses the entire spiritual cosmos in a single thought. When he views something in this world, he immediately traces it back to its G-dly source. He senses deep significance in every letter of Torah and every detail of creation.

The Leviathan will slaughter the Shor HaBor with its fin. Like the thrust of the Leviathan, understanding Divinity brings meaning to our actions and mitzvos. By seeing the G-dly source of the commandments, we perform them with greater inspiration and understanding. This leads to perfect observance, as well.

Moshiach requires that we must imbue everything we do with meaning and purpose, breathing new G-dly life into every day.
