CHASSIDUS AND MOSHIACH

ב"ה

## A NEW GENERATION

*In the generation of Moshiach, even young children will study the inner dimensions of the Torah. (Zohar I, 92b)*

Everything that will occur in the time of Moshiach depends on our efforts now. Therefore, we must raise a generation where even young children study the inner dimensions of the Torah. In this way, we prepare for the generation of Moshiach.

*Likkutei Sichos, vol. 3, pg. 1006*
