WORKING TOWARD MOSHIACH

ב"ה

## UNDERSTANDING WHAT WE SEE

*When Moshiach comes, the physical world will express the true reality. The world will be pure G-dliness, no longer veiled by a material shell. Then we will see the physical world for what it truly is, G-d Himself.*

*The same will be true of time. Every day, the essence of that day will shine. We will see the word of G-d creating the world, our body, and each moment in time. Then, we will experience the verse, "All flesh will see that G-d's mouth speaks."*

*When Moshiach comes, speedily in our days, everyone will have true understanding. They will understand what they are seeing, not just with their minds, but with their souls.*

*(See Likkutei Dibburim, vol. 1, pp. 184-5)*

The main difference between exile and the time of Moshiach is understanding. Now, we do not understand what we are seeing and experiencing in the world. By working to understand G-dliness and see it in the world, we are walking directly toward Moshiach.
