THE TIME OF MOSHIACH

ב"ה

A NEW FEAST, A NEW MISSION

Everything is prepared for the feast. (Ethics of the Fathers, 3:16)

At the feast for the righteous in the Time to Come, G-d will serve a giant fish, the Leviathan. The name Leviathan means “to connect.” This represents how, in the time of Moshiach, we will no longer be involved with refining ourselves or the world. Instead, we will deepen our connection to G-d through knowing Him and understanding His ways.

Already, the process of refining the world has been completed in the general sense. Now our primary goal should be to deepen our understanding of G-d and to spread this knowledge to others.
