## JOY TO BRING MOSHIACH

*We have already been involved in spreading the wellsprings of the Baal Shem Tov [Chassidus] for more than seven generations, and we have accomplished many great things. This provokes the question: what more can we do that has not yet been done?*

*One addition we can make to bring Moshiach is the service of joy for the purpose of bringing Moshiach. In addition to the fact that joy breaks boundaries, including the boundaries of exile, joy has a special power to bring the Redemption .... The joy that we are speaking about is pure joy for its own sake.*

*This joy will bring Moshiach.*
