MOSHIACH: PERSON, TEACHER, AND KING

ב"ה

BEYOND WISDOM

Even though Moshiach will be very wise and a great Torah teacher, he is described as a king. A king represents exaltedness and transcendence. This signifies that Moshiach will manifest G-d's Essence that transcends understanding. This was never revealed before in creation, not even to the greatest saints and sages. Therefore, Moshiach will teach everyone, even the Patriarchs and Moses.
