WORKING TOWARD MOSHIACH

ב"ה

FACING THE DARKNESS

Every time we study Torah and perform a mitzvah, we bring G-dly light into the world. This act is a small experience of the Redemption and another step toward its completion, when “the infinite light of G-d will be revealed in the physical world.”

Revealing the divine spark in something liberates and redeems it. This little redemption is a preparation for, and the beginning of, the revelation of G-d’s glory in the time of Moshiach.
