EXILE'S MASTER

Exile began with our descent into Egypt. Nevertheless, Yosef was Egypt's ruler, and in Egypt, Yaakov lived the best years of his life.

Exile began with this descent so that we would know that we have the ability to overcome it. From this, we understand that exile does not have true power over us. On the contrary, the purpose of exile is for us to become the master of exile. By conquering its challenges, we rise to a higher plane.
