WORKING TOWARD MOSHIACH

ב"ה

OUR MISSION

Today every Jew's mission [shlichus] is to greet Moshiach. Every detail of our general mission to spread Torah and Judaism and disseminate the wellsprings [of Chassidus] must focus on how this leads us to greeting Moshiach.

The intention is that from this shluchim convention we must make good resolutions for how every shliach can prepare himself and all the Jews in his location and city to greet Moshiach.
