## WE ARE READY

*Our generation is already prepared for Moshiach's coming; we only need to polish our buttons. (The Previous Lubavitcher Rebbe)*

The Rebbe explained that it has already been a long time since the Previous Rebbe made this statement. All of the essential preparations for Moshiach's coming have been completed, even the outer garments and figurative "buttons." Metaphorically, the buttons needed polishing. We no longer need to make external preparations. We are ready for the Redemption.
