THE TORAH OF MOSHIACH

ב"ה

TORAH PROTECTION

We are told that when Moshiach comes, we will designate three additional cities of refuge. These cities of refuge will protect people from those who threaten them. The Torah is compared to a city of refuge. When Moshiach comes, we will understand the reasons for the laws according to the intellectual attributes of wisdom, understanding, and knowledge. These attributes correspond to the three cities of refuge.

This deeper understanding will protect us from negative influences so that no evil can tempt us and bring spiritual harm. Even now, learning the revealed aspects of Torah purifies one's actions. Learning the inner aspects of Torah purifies one's mind and heart.
