## MOSHIACH OF THE GENERATION

*In every generation, there is one who is worthy to be the redeemer. When the time comes for the Redemption, G-d will reveal Himself to him and send him....*

*(Chasam Sofer, Responsa, Choshem Mishpat sec. 98)*

The leader of each generation is the Moshiach of that generation. Moshiach is the general yechida, and his soul shines into the leader of each generation.

All of the souls of that generation are united with the soul of their leader. It is by connecting to our leader, the Moshiach of our generation, that we reveal our yechida, our personal spark of Moshiach.

However, the Final Redemption of Moshiach depends on us. When our actions merit, Hashem will bestow the full soul of Moshiach upon the Moshiach of the generation, and he will lead us out of exile as the final redeemer.
