THE TIME OF MOSHIACH

ב"ה

MOSHIACH NOW

The Rebbe Maharash once asked his father, the Tzemach Tzedek, about the prediction that Moshiach was supposed to come in the year 5608. The Tzemach Tzedek answered, "The coming of Moshiach is a revelation of the soul's essence." That year, the Likutei Torah was printed. It revealed the essence of Torah, through which the essence of the soul is revealed.

The Rebbe Maharash said. "But we need Moshiach to come literally!"

Although there are spiritual aspects to the Redemption, and many of these are available now, we must not be satisfied. We must demand Moshiach in the literal sense.
