WORKING TOWARD MOSHIACH

ב"ה

## ALL FOR YOU

*The earth is supreme to all things; even the King is subservient to the field. (Koheles 5:8)*

Everything in the spiritual worlds, and even the Infinite Light itself, was created for our work down here on earth. The purpose of our work is to affect the “field.” Only through our efforts in Torah and mitzvos can we make the world into a fitting home for G-d.
