THE TORAH OF MOSHIACH

ב"ה

INNER AND OUTER

The Final Redemption must take place on every level of creation, and the Redemption is accomplished through Torah. Therefore, our learning permeates every level of creation. We accomplish this by learning all four dimensions of Torah—the simple, metaphoric, moral, and mystical levels of interpretation (together known as Pardes).

These dimensions are one and not separate from each other. For that reason, it is essential that we study Talmud and Torah law together with the inner dimensions of the Torah.
