## CHASSIDUS AND MOSHIACH

ב"ה

# IDENTIFY YOUR IDENTITY

*Today, we only experience G-d's external manifestation. When Moshiach comes, G-d's inner self will be revealed.*

*(Pri Eitz Chayim, Shaar HaKeriyas Shemah, ch. 15; see Likkutei Sichos, vol. 19, pg. 247)*

In exile, the highest spiritual levels, and even Torah and mitzvos, are perceived as something separate from G-d. Moshiach will reveal G-d's inner self and essence. This means that we will no longer see Torah, mitzvos, the world, or ourselves as separate, but as one with G-d.

Through learning Chassidus, a person can elevate himself to the point that he becomes one with his Torah and mitzvos.
