THE TORAH OF MOSHIACH

ב"ה

REPAIRING THE WORLD FOR HOLINESS

*The exiles will only end in the merit of Mishnayos.
(Medrash Rabbah, Vayikra 7:3)*

The Second Temple was destroyed because of senseless hatred. The First Temple was destroyed because of a lack of respect for Torah study. Learning Mishna (the original codification of Torah law) corrects both of these errors. Mishna records practical decisions of Torah law. On the one hand, each person must understand what he or she is learning, using his or her own mental faculties.

Yet, everyone agrees on the decisions recorded in the Mishna. The very fact that everyone agrees on the law, though understanding things differently, shows that the Torah is not the product of men. G-d gave a single Torah to a united Jewish nation. Learning coupled with humility brings renewed unity and appreciation for the importance of Torah. This corrects the two causes of exile and brings the Redemption.
