MOSHIACH: PERSON, TEACHER, AND KING

ב"ה

## TRUTH BRINGS PEACE

*And they shall love truth and peace.  
(Zechariah 8:19)*

Moshiach is someone who makes peace between the physical and the spiritual, between the body and the soul, and, most of all, between one man and his fellow. Moshiach will accomplish this through his wisdom. Truth takes both sides into account and finds a way to unite and transcend them.

Whenever we face an issue, we must realize that as long as we only see one side, we are missing the truth. This is why Torah law teaches accepted and rejected opinions. In practice, we rule one way, but we can only grasp the wisdom of the Torah by understanding both sides. And through this, we attain peace, as the sages state about Torah, "Its ways are ways of pleasantness, and all of its paths are peace."
