LIVING MOSHIACH

SEEING OUR BLESSINGS ^{ב"ה}

*Behold, I have placed before you today a blessing
(Devarim 11:26)*

*We must announce and publicize everywhere, with heartfelt words, that G-d tells every Jew through his prophets, "Behold, I have placed before you today a blessing." Today, we literally see with our very eyes the blessing of the true and complete Redemption.
(The Rebbe, Sefer HaSichos 5751, pg. 778)*

We must realize that the Redemption is something that G-d is giving us now and is here for the taking. We must simply recognize the blessings that G-d is granting us and use them. As we begin to live with and experience the Redemption personally, we will change the entire world.

Sefer HaSichos 5751 pg. 778
