MOSHIACH: PERSON, TEACHER, AND KING

ב"ה

## THE FIFTIETH GATE

*G-d created 50 gates of understanding. He gave all of them to Moshe except for one, as it says (Tehillim 8:6), "You have made him a little lower than G-d."  
(Talmud, Rosh Hashanah, 21b.)*

*The fiftieth gate of understanding will be given to Moshiach, and he will reveal it in the Time to Come.  
(Shaar HaEmunah ch. 51)*

Rambam rules that Moshiach will only be near to Moshe in prophesy. In wisdom, however, he will exceed Moshe.

This, to a degree, is true about each and every one of us. Every time we exert ourselves to study Torah and know G-d, our efforts produce an insight that was never revealed before. In other words, the exile's challenges also present a unique opportunity. Since we have to work harder than previous generations, we also have the ability to reveal the Torah's secrets, the Torah of Moshiach.
