MOSHIACH: PERSON, TEACHER, AND KING

ב"ה

FROM GOOD TO BETTER

Moshiach is destined to bring even the righteous to teshuvah...because the soul of Moshiach is incomparably higher than all other souls.

(Likkutei Torah, Shir Hashirim 50b-d; Zohar III, 153b)

Although many tzaddikim (perfectly righteous people) throughout history served G-d “with all [their] might” (me’odecha), their service was limited to their own might, the might of a human. Moshiach, on the other hand, is simply called “mighty” (me’od), because he will manifest the might of G-d.

Therefore, Moshiach will bring even the righteous to repent (teshuvah), not because they sinned, but simply out of their innate desire to go beyond their current level and achieve their full potential.

Similarly, we must not wait for a mistake to try and do better. We must cultivate a sense of our infinite potential and never be satisfied with our current state.
