LIVING MOSHIACH

ב"ה

KNOW WHAT YOU ALREADY HAVE

*The future Temple that we await is built and complete and will be revealed and descend from Heaven, as it says (Shemos 15:17), "The Sanctuary of G-d [is] readied by Your hands."
(Rashi, Sukkah 41a; Tosefos ibid)*

The Temple and the Redemption are already spiritually complete. They stand constantly and remain unchanged in heaven. Our job is to tap into the spiritual Temple and bring it down to earth. One of the primary ways we can achieve this is by studying about Moshiach, the Redemption, and the Temple. Studying these subjects helps us merit Moshiach's actual coming.

However, this study is not simply a formula that causes Moshiach to appear. Understanding the spiritual essence of Moshiach teaches us how we can begin experiencing and living a state of Redemption now. Once these concepts fill our minds, inspire our hearts, and direct our actions, they serve to bring our personal Redemptions from theory to practice. Eventually, our concept of Moshiach becomes clear to the point that we know how close we are to Redemption and exactly what we must do to complete the process.
